#MISSION

We make multisensorial art and performance experiences - to explore social topics...

Photo: rehearsal with Majella Clarke (oboe) and Anna Olkinuora (movement)

Houston - do we *really* have a problem?

- The Earth is fine
- Everyone is happy
- The animals are multiplying
- Prosperity and justice for everyone
- AI makes the best decisions for humans
- Your data is safe
- Social issues are managed well by the government
- Everyone is informed
- RELAX, ENJOY, NO CLIMATE CRISIS ...

NOT

Switching from the font 'Arial' to 'Century Gothic' saves 30% ink on printing

Solution – New social perspectives require new social approaches and expressions

- Multi-sensorial approaches are more inclusive
- HAE! Knows that music and dance have universal appeal
- HAE! Knows it **can help** current art establishments demonstrate diversity and inclusion to catch **new audiences**

More energy is wasted in the UK's electricity generation system than is consumed to heat all of the UK's homes

Don't Waste Art!

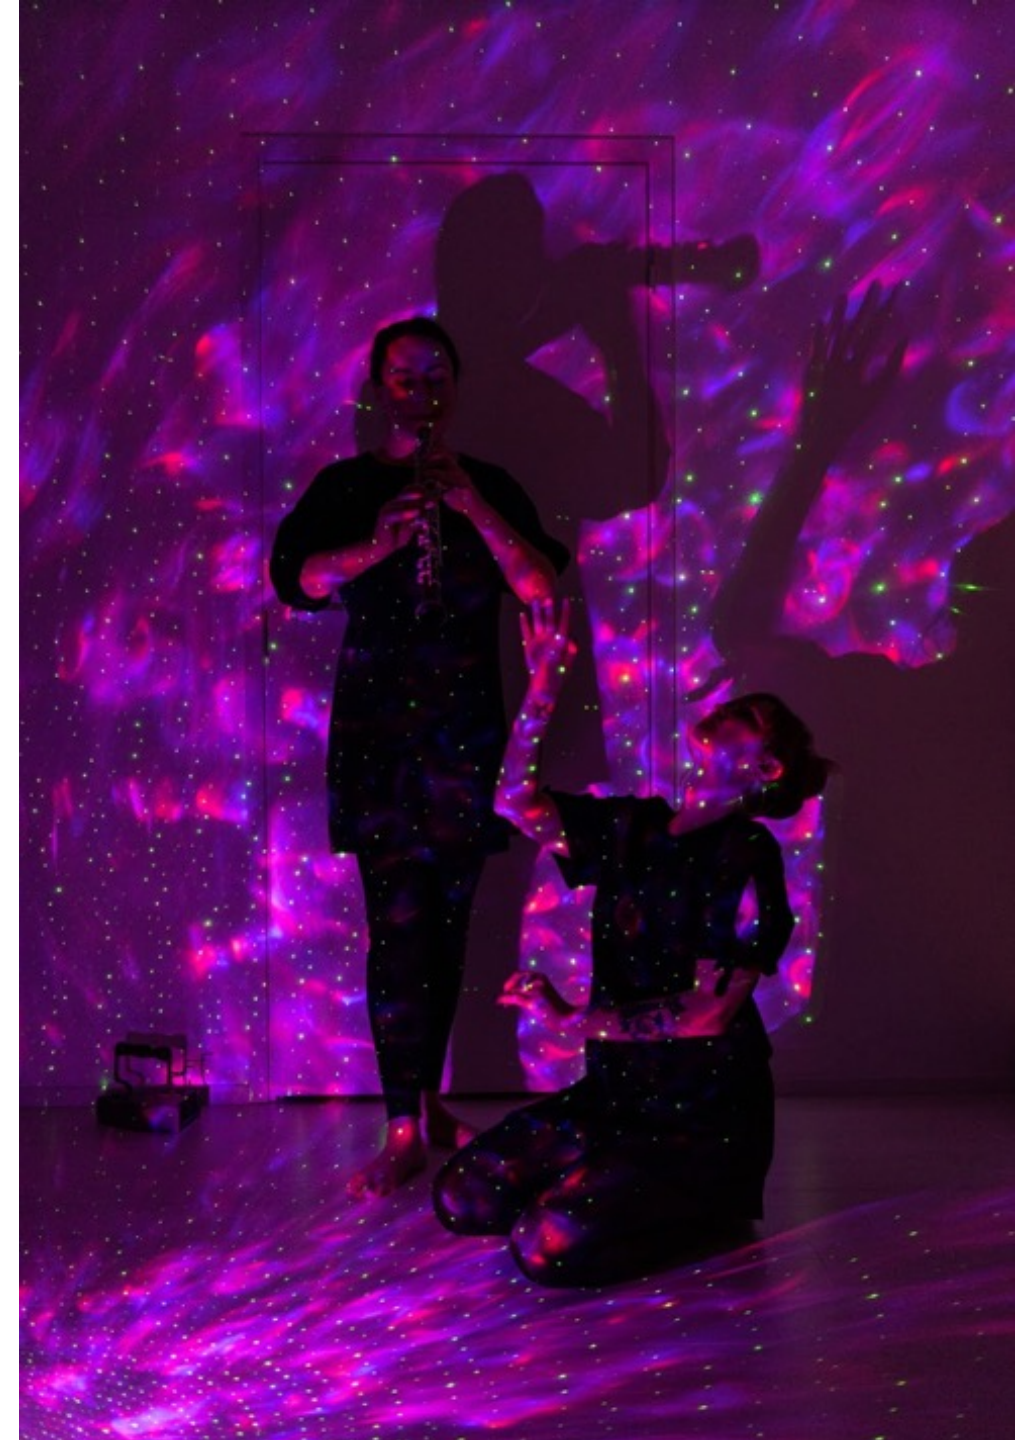

Artistic Skills

HAE! Is a group of performing artists that are:

- Multi-disciplinary
- Cross-genre
- Experimental

We specialize in:

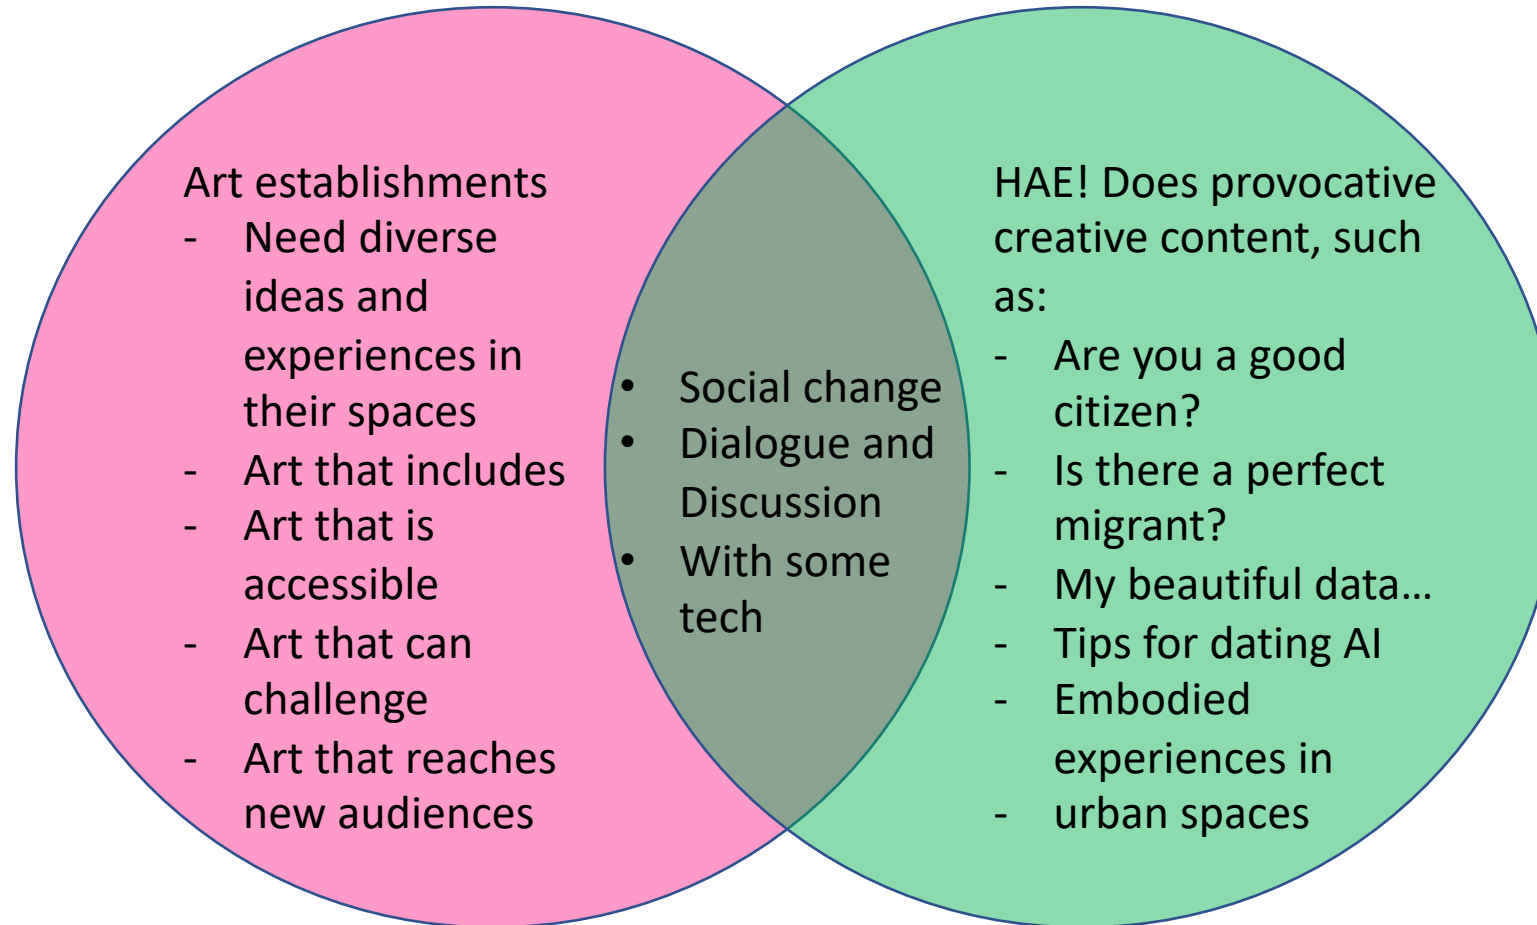

- Multi-sensorial experiences
- PERFORMATIVE audio-visual installations

There is up to 30 times more gold in a tonne of old mobile phones than in a tonne of gold ore
